Notice to Members

This Provider Directory is for informational purposes only. It contains only a partial, general description of features of WellPath Select, Inc.'s ("WellPath") HMO Plans, and the in-network portion of its Point-of-Service (POS) Plans. It does not constitute a contract or any part of one. The complete terms of the Plan are contained in the official Plan documents, which may include the Evidence of Coverage, the Certificate of Coverage (including the Schedule of Benefits and Group Service Agreement), the Schedule of Copayments, the Group Master Contract (available from your employer group), and any applicable Riders, Amendments, or Endorsements. In the event of any differences between this Directory and the official Plan documents, the Plan documents will control. For a copy of these Plan documents, contact your benefits administrator or call WellPath at 919-337-1800 or 1-800-WEL-PATH (1-800-935-7284).

* * * * *

Enrolling in WellPath's HMO or POS Plan does not guarantee services by a particular provider in this Directory. If you wish to be sure of receiving care from a specific provider in this Directory, you should contact WellPath to be sure that the particular provider is accepting new patients for the HMO or POS Plan. Even if a particular provider is participating in WellPath's HMO or POS Plan on the date you enroll, there is no guarantee that the provider will continue to participate during the entire term of your enrollment in WellPath's HMO or POS Plan.

The participating health care providers listed in this Directory are independent contractors. They are not the employees or agents of WellPath. WellPath enters into contracts under which these providers (physicians, medical groups, hospitals, pharmacies, other health care professionals and medical facilities) agree to provide certain covered health care services to enrolled WellPath members. In making decisions about members' care and in providing or recommending health care services to members, these providers use their own independent professional judgment, for which they are solely responsible.

WellPath Select Inc., a subsidiary of Coventry Health Care, Inc., provides coverage under insured WellPath HMO and POS Plans.

Providers listed in this Directory also are available to employers who contract with WellPath Preferred Services, Inc., a subsidiary of Coventry Health Care, Inc., as a registered third party administrator. WellPath Preferred Services, Inc., provides administrative services only for these employer group plans funded on a self-insured or non-insured basis.
